

INDIANA UNIVERSITY BLOOMINGTON

Apply Online: www.admit.indiana.edu

2011–12 Freshman Application for Admission

This packet includes the application for admission, instructions for filling it out, financial aid information, and other important details. Your checklist and priority dates are also included.

Thank you for your interest in Indiana University. We are excited that you are thinking about becoming part of our freshman class of bright, interesting students from all over the United States and the world.

For Questions or Additional Information

- Visit www.admit.indiana.edu
- Call (812) 855-0661
- E-mail iuadmit@indiana.edu

Choose the Appropriate Application

This is the **Freshman Application for Admission**. It is for students who are still in high school, who have not attended college since graduating from high school, or who have fewer than 12 hours of college credit.

Transfer students (those who wish to transfer to IU Bloomington from another college or university) must complete the **Transfer Application for Admission**. Apply online at www.admit.indiana.edu.

International students (students who are not U.S. citizens or permanent residents) must complete either the **International Freshman Application for Admission** or the **International Transfer Application for Admission**. The freshman application is available for completion or download at www.admit.indiana.edu. International transfer students are encouraged to apply online.

Application Instructions

Please read these important instructions before completing the application.

Application Fee

We require an application fee of \$55 for U.S. citizens and permanent residents. The application fee is nonrefundable and cannot be applied toward any other bill or fee. Your check or money order should be payable to **Indiana University** and should clearly indicate your name, date of birth, and Social Security number (or IU identification number, if applicable). We cannot accept cash. Payment by check authorizes Indiana University to make a one-time electronic withdrawal from your account in the amount indicated on your check. This transaction will occur within 24 hours of receipt, and no cancelled checks will be returned. Your financial institution will receive a copy of your check for payment if your account cannot be processed electronically. A third party submitting a check on your behalf is considered your agent; you are responsible for providing your agent with these disclosures. For more information on this and other payment options, or if you do not wish to have your check processed electronically, call (812) 855-0661 to speak with an admissions representative.

Official Transcript

If you are attending a U.S. or Canadian high school, have your high school send an official transcript of your grades and graduation date. An electronic transcript provided by your school is preferred but not required. If you are attending a non-U.S.-style school, submit official copies of your secondary school record. If you are currently enrolled in college-level course work, submit official college transcripts.

Social Security Number (application item 3)

The disclosure of your Social Security number is optional. If you wish to be considered for any form of state or federal financial aid, you are required to provide us with your Social Security number, so it would be to your advantage to provide it now. If you do not wish to disclose your Social Security number, you do not need to provide it. The priority date for financial aid consideration is March 1, 2011, and students providing Social Security numbers after that date will be considered for financial aid based on the availability of funds. An alternative IU identification number will be assigned regardless of whether you provide your Social Security number.

Ethnicity (application item 7)

Ethnic information is gathered in compliance with the definitions and procedures included in the 1997 revision of the OMB Statistical Policy Directive No. 15 and the U.S. Department of Education Final Guidance on Maintaining, Collecting, and Reporting Racial and Ethnic Data to the Department of Education (Federal Register, Vol. 72, No. 202, 10/19/2008). This information will not be used in determining your admissibility to Indiana University.

E-mail (application item 8)

Because we will use e-mail to communicate with you, please give us an e-mail address where we can reach you throughout the year. To update your contact information, log in to onestart.iu.edu, and click on "Self-Service."

Extracurricular Activities (application item 21)

We offer students the option to provide a summary of their important extracurricular activities during high school. This is not required. If you choose to do so, please attach a separate sheet. You may also submit a personal statement and/or recommendation(s).

Criminal Activity Disclosure (application item 22; required)

We are committed to maintaining a safe learning environment. As such, we require applicants who have been charged with or convicted of a misdemeanor or a felony, or who have engaged in behavior that resulted in mental or physical injury to person(s) or personal property, to disclose this information. This disclosure does not automatically bar admission. If you answer "yes" to item 22, attach a brief explanation describing the incident(s), including the location(s) and date(s) of the charge(s) or conviction(s), your status at the time of release, and the court disposition(s) (in English). In your own words, provide a description of the impact the incident(s) had on you. The explanation must also grant IU complete permission to access your criminal record. Additional information may be requested and additional time required for review. If additional legal charges or injurious behaviors as described above occur prior to matriculation at IU, you must provide updated information to the Office of Admissions.

Residency (application item 23)

Initial residency classification (for tuition purposes) is determined by the information you provide on the application. In general, U.S. citizens or permanent residents who are 22 years of age are eligible for resident student status after they have been physically present in Indiana for at least 12 months without the predominant purpose of higher education. Students who are under 22 years of age are eligible for resident student status if their parents or legal guardians reside in Indiana. Documentation of legal guardianship is required. Visit registrar.indiana.edu for complete residency information.

Scholarships and Financial Aid

Merit-Based Aid. When you apply for admission, we'll automatically consider you for some of IU's merit-based scholarships. For information on additional scholarship opportunities, visit the Office of Scholarships Web site at www.scholarships.indiana.edu.

Need-Based Aid. In order to be considered for need-based financial aid, please submit the Free Application for Federal Student Aid (FAFSA) as soon after January 1 as possible and before March 1. Because some aid programs are awarded on a first-come, first-served basis, an early application receives priority consideration for limited funding sources. FAFSA forms are available at www.fafsa.ed.gov or from your high school. Be sure to list IU's institutional code, **001809**, to ensure our Office of Student Financial Assistance receives your information.

Advanced Placement and Military Service Credit

Superior scores on advanced placement/credit tests may be used for placement, course exemption, or the awarding of credit. IU recognizes strong performance on College Board Advanced Placement (AP) examinations, SAT II Subject Tests, SAT or ACT writing components, British-Style advanced-level examinations, International Baccalaureate (IB) higher-level examinations, and placement tests administered by IU. It is also possible to obtain credit for college-level course work already completed. More details are available at www.admit.indiana.edu/apply/freshmen/standards/advanced.shtml.

Veterans may earn college credit for educational experiences in the armed services. Submit your certified DD Form 295, DD Form 214, and/or transcript from either the Army/American Council on Education Registry Transcript System (AARTS) or the Sailor/Marine American Council on Education Registry Transcript System (SMARTS) with your application. Any additional, relevant military transcripts should also accompany your application.

Majors and Major Codes

Item 15 on the application asks you to indicate your intended major and major code, drawing from the following list.

Exploratory: Two Options

Many students come to IU wanting to explore their options for a major. If you are undecided about a specific major, choose “Exploratory (general)” and the code “EXPLRPR.” If you know you would like to study in the College of Arts and Sciences but are undecided about a specific major, choose “Exploratory (College)” and the code “EXPLCOBAPR.”

Prospective Music Majors: Additional Instructions

Prospective music majors must file this application, complete the Jacobs School of Music application, and successfully complete an audition or interview. Visit www.music.indiana.edu for more information. In item 15, please also indicate your intended instrument performance area and degree within the Jacobs School of Music.

Your Future Goals: Professional School

If your future goals include professional school (medicine, law, dentistry, optometry, physical therapy, occupational therapy, etc.), indicate your intended major and professional school interest in item 15.

Choosing Your Major: Don't Worry!

Choosing your college major is one of the most exciting and important decisions you'll make. Don't worry about making the right choice on this application. The major you choose on this application indicates what you intend to major in and serves as a guide for your initial course of study. If you are admitted to IU, you will not be bound to this choice. In some cases, your choice of major doesn't guarantee your placement in the major program you selected. If you are admitted to IU, our academic advisors will help you select and refine your major, minors, and certificates—ensuring the academic course that is best for you.

Application Checklist

- Review Admission Standards.** Review our admission standards and requirements at www.admit.indiana.edu.
- Apply Either Online or on Paper.** We encourage you to submit your application electronically at www.admit.indiana.edu. Our online application is secure and easy to use, and it gives you immediate confirmation that your application has been received.
- Pay Application Fee.** We require a nonrefundable application fee of \$55. If you apply online, you will pay the fee by credit card. If you apply on paper, you must submit a check or money order made payable to Indiana University. Attach the payment to the designated area of the application.
- Send Senior Schedule.** Take your completed and signed application and \$55 fee to your high school counselor well in advance of the appropriate priority date. Ask your counselor to complete the Counselor Signature page and forward the application to us (we must receive it directly from the school). **If you apply online, you must print the Counselor Signature page and take it to your counselor for completion.** We also accept the Electronic Secondary School Report (ESSR) or a high school transcript (if it includes your senior schedule) in place of the Counselor Signature page.
- Submit High School Transcript.** At many high schools, your counselor will enclose your official high school transcript, the completed admission application and fee, and the Counselor Signature page in an envelope and mail the entire packet to us. If this is not possible, please ask your high school to send your official transcript electronically or in a separate mailing.
- Submit SAT/ACT Scores.** We require the SAT and/or the ACT, including the writing assessment(s), unless you have been out of high school for more than two years. We will consider the Critical Reading and Math composite score as part of our comprehensive review of applications. Test scores are also used as an aid in academic advising as well as in determining eligibility for the Hutton Honors College, some academic scholarships, and direct freshman admission to some academic departments. Students with competitive writing section scores may be eligible for credit for or exemption from IU English course work. When you register for a test, be sure to ask that your scores be sent to IU Bloomington. Our SAT code is **1324** and our ACT code is **1210**. We will accept your results from the testing agency or from your high school.
- Check Application Status.** You can go online to check your application status and to see if any of the required credentials are missing from your file. To check your application status, visit onestart.iu.edu. Follow the instructions on how to log in to view the status of your application.

Admission Decision. *We practice rolling admissions, and each application is carefully reviewed by our admissions counselors. You can expect to hear from us four to eight weeks after we receive your completed application, fee, transcript, and test score(s).*

Application Priority Dates

- | | |
|-------------------|---|
| November 1 | Priority date for admission and deadline for Automatic Academic Scholarship consideration. All application materials for admission must be submitted online or postmarked by November 1 to meet the scholarship deadline. |
| February 1 | Priority date for admission consideration; file the FAFSA before March 1 for priority consideration for need-based aid |
| April 1 | Applications received after April 1 will be reviewed based on available space |

Equal Opportunity/Affirmative Action Policy

Indiana University pledges itself to continue its commitment to achievement of equal opportunity within the university and throughout American society as a whole. In this regard, Indiana University will recruit, hire, promote, educate, and provide services to persons based upon their individual qualifications. Indiana University prohibits discrimination based on arbitrary considerations of such characteristics as age, color, disability, ethnicity, gender, marital status, national origin, race, religion, sexual orientation, or veteran status.

Accommodations for Students with Disabilities

Students who may need disability support services should visit the Office of Disability Services for Students Web site at www.indiana.edu/~iubdss, or phone (812) 855-7578.
